# connect + simplify your business

Is your business burdened by disconnected systems and information? Manual processes? Are inefficiencies undermining your competitiveness? Are you frustrated that you can't access what you need when you need it to deliver core operational tasks or make strategic decisions?

Consolidate your business systems into one place with MYP's integrated platform, connecting your core data and information to form a single cost-effective system.

## all with one simple login

### CRM, PROJECTS + INFORMATION HUB

Manage leads, client activity, sales + communications, projects, forms + documents all in one place, integrates with other MYP modules

### EMAIL CAMPAIGNS, MARKETING + EVENTS

Create + send responsive email campaigns, manage your events + broadcast digital forms

### DIGITISE + AUTOMATE FORMS, SURVEYS + REPORTS

Build professional online forms to automate business systems, leverage information + conduct surveys, now with digital signatures

### HR SOLUTION, MANAGES TEAM + PERFORMANCE

Streamline HR management to improve staff + operational efficiencies, engagement + performance

### ROSTER YOUR PEOPLE + RESOURCES

Efficiently manage rosters, timesheets, assets + resources while simplifying complex award rules

### ACCESS + MANAGE DOCUMENTS EFFICIENTLY

Retrieve + edit documents where + when you need them, provide client portal access + auto-version documents

### INTEGRATE YOUR WEBSITE WITH YOUR MYP PLATFORM

Connect your website + contacts with your systems, eliminate data entry + maximise opportunity

### GOT AN IDEA? BRING YOUR INNOVATIONS TO LIFE

Customise the MYP platform for your own unique requirements or commercialise your idea in the MYP Marketplace
